Call Strike of Bituminous Coal Miners

WALK OUT BLOCKADE IS ORDERED FOR NOV. 1

Will Insure Protection of All Mining Properties
ALLOW SOME TO WORK
Order issued Today Noon at Headquarters of Mine Workers.

INDIANAPOLIS, Ind. — The order calling all union bituminous coal miners of the country to "leave production of coal at midnight on Friday, October 31, 1919" was issued from the International Headquarters of the United Mine Workers of America here at noon today. The order is signed by John L. Lewis, acting president, and W. J. Green, secretary-treasurer of the miners.

The order calls for a sufficient number of men to remain at work to insure the proper care and protection of all mining properties, in conformity with the provisions of certain agreements.

REIS OPENS FIRE ON WOLFE SUGAR PRICES

Questions Authority of U. S. Attorney to Dictate Prices

To ascertain the jurisdiction of the state Division of Markets, in making cooperative arrangements with manufacturers for the distribution of the Wisconsin sugar beet crop, U. S. District Attorney Walter A. C. Reis, acting legal assistant, has directed a query to Mr. J. H. La Crosse asking the basis of authority in the matter.

The state Division of Markets is in learning what power the division has in effecting arrangements for the distribution of sugar beet crop, which was seemingly assumed by the federal government in fixing retail prices.

Very truly yours,
Alvin C. Reis,
Acting Legal Assistant.

JACKIE BAND RETURNS FROM STOUGHTON TRIP

The Great Lakes Jackie band returned to Madison this morning from Stoughton, where they gave several concerts yesterday in the interest of the navy recruiting drive. They will head the parade at 7 o'clock tonight, which will officially start the man-the-navy recruiting drive in Madison.

Now Gentlemen Get In Line And ---Don't Crowd

There is danger that Gov. Philipp may have to open a matrimonial bureau. He will if he desires to carry out the request of a woman in Colorado who is looking for a husband in Wisconsin. The applicant is none other than a music teacher, who has penned her heart's desire in a letter to the executive in her own handwriting. She wants a "good looking bachelor," and before she will accept she must have his picture.

The letter asks that the governor give her request to a bachelor who would be eligible under her terms. There are so many, even employed in the capitol, that he has been reluctant about passing out the favor, so he decided to make the request public and then let the bachelors of the state all put up their claims and merits. Omitting her name, which the governor has in his possession, here is her letter:

"Hunting for Happiness."
"I am looking for a tall, blue eyed, 50 year old husband. He must have money. I am small. Called pretty. Brown eyes. Music teacher."

"I never did a bad act before God in my life."
"If I find a person I can love with all my heart and soul, better than life, and I am sure he loves me the same, I will marry. We are one of the best families in Colorado. Please send photo and full particulars."

"Please give this to the best looking bachelor in your state. Thank you."
A canvass of the capitol shows that there are a dozen who might be eligible from the age standpoint. The executive office will make known the name to any and all applicants and will forward any letters received. The governor will accept no responsibility in the matter. He will merely forward the letters, or give out the name, as she has requested. He has no other information other than that disclosed by the letter.

U. W. FRESHMAN OF GREEN BAY GOES TO JAIL

Held on Default of \$2,500 Bail for Taking Automobile

"This makes the fifth car I took and there would have been no trouble about it had I not bumped into the truck on S. Hamilton St." Edward H. Miller, freshman at the University of Wisconsin, is alleged to have said to Sheriff Julius Krug of Dane county as the latter locked the 20-year-old youngster in jail for the lack of \$2,500 bail.

Miller attributed the accident which wrecked the car he is charged with stealing for a joy-ride last night to the fact that he did not have his lights on as he sped down the steep hill. He crashed into a truck standing at the curb and smashed the Ford he was driving which belonged to the Rev. John Halverson of Rockdale and was taken on the university grounds.

He jumped from the wreck and ran away but overlooked a note book containing his name and address. Upon learning that he was being sought, Miller went to the police station and gave himself up. He spent the night there and when brought to the Superior court for trial this morning pleaded not guilty under the advice of Dist. Atty. Roman Feilman. The court will investigate his case.

Not having the \$2,500 bail he was locked up in the county jail awaiting trial tomorrow. Miller hails from Green Bay and is a bonus student at the university, having served in the Marine corps and receiving an honorable discharge.

"I can't tell what the d---I possessed me to take those cars," he said to The Capital Times reporter. "I suppose it was because the first four came so easily. Now I have to stay in jail and miss my school work, especially an algebra examination which is scheduled this morning."

NIGHT RAID LANDS DOZEN ALLEGED REDS UP THURSDAY

Military Authorities at Gary Expect to Arrest Hundreds

INFORMATION MEAGER
Have Supposed Perpetrator of Chicago Postoffice Bomb Plot

GARY, Ind. — More than a dozen men were taken into custody here during the night by military intelligence authorities and were to be questioned today in connection with the investigation into alleged radical activities including bomb and anti-government plots. It also is said army intelligence agents have in their possession a list of several hundred alleged radicals among whom a number are believed to be leaders. Military intelligence authorities are said to have obtained clues regarding radical activities here even before Major General Leonard Wood, commander of the Central army department, declared military control of the situation growing out of the steel strike got beyond state officials.

Several men, including Anton Gorski, who was said to be under surveillance in connection with explosion of a bomb in the Chicago postoffice in September, 1918, were questioned yesterday and it was stated Alexander Ivanoff, believed to be maker of the 36 bombs sent from New York to prominent men throughout the country, was being sought. Of the many reports that spread through the veil of secrecy thrown about their activities by the military and civil authorities, after they inaugurated raids on alleged red headquarters and meeting places and surveillance of suspected persons, one, that a wide-spread plot against military cantonments had been discovered, was denied officially by Col. W. S. Mapes, commanding troops here.

MOTHER'S AID IS TOO MEAGER SAYS MEETING

Conference of Social Workers Would Enlarge Scope of Law

That the \$40 a month provided for in the "mothers' pension laws of the state is insufficient and does not meet the emergencies, was general consensus of opinion at the Wisconsin State Social Work convention, which resumed its meetings in the Assembly parlors of the state capitol this morning. The entire morning was devoted to the discussion of the Pension Family.

The provision of the law that the mother must have lived in the county from which she obtains her pension money a year before she is eligible for a pension in that county was also discussed and it was suggested by A. F. Belitz that, in order to bridge over this year, the court resort to the dependent child laws.

Settled Board Bill Settles Argument

Edward Morton settled all argument in superior court by paying his board bill. Morton arrived in Madison from Michigan and lived here without much thought of the future until he was arraigned in court for jumping his board expenses. When he saw the judge, he began to think of a future in the cruel, cruel, jail and hustled around till he could raise some funds.

Patient Must Help Raise Tongue; Noe

Questions to determine whether a dentist can raise a patient's tongue without her help received a firm negative reply each time from Dr. Walter B. Noe who testified in his own defense in the circuit court this morning. He is being sued for \$2,000 damages by Mrs. Josephine Vale who claims to have sustained grave injury through his negligence. The case will probably go to the jury tomorrow.

STEEL STRIKE ARBITRATION UP THURSDAY

Tense Situation Said to Exist at Conference

CRITICAL TIME NOW
Failure of Arbitration May Split Factions Beyond Hope

WASHINGTON — Efforts by the employers group at the industrial conference to force to an immediate issue labor's proposal that the steel strike be arbitrated failed today, the labor group and all of the public group except Elbert H. Gary, chairman of the board of the United States Steel corporation, voting to postpone action until tomorrow. The conference adjourned until 2:30 p. m. tomorrow when the arbitration resolution will be brought to a vote. President Wilson will not sanction adjournment of the National Industrial conference here until it has exhausted every possible means of finding a solution of the present industrial situation, white house officials said today.

Despite his illness, the president was understood to have been informed of the tense situation in the conference resulting from the controversy over labor's proposal for arbitration of the steel strike. He was said to feel that this should not endanger the ultimate success of the conference.

By the Court.—That leave be granted to bring said action as prayed; the complaint to be served upon the attorney general and the answer or demurr on behalf of the state to be served 10 days thereafter and the cause to be argued at the foot of the next assignment, the relator to give bond of \$500 to indemnify the state against costs and damages.

356 Miles for Maynard First Day

SALT LAKE CITY, Utah.—Lieut. Belvin W. Maynard, flying from San Francisco to Minneapolis on the return trip of the trans-continental air derby, left Salt Lake, Utah, for this city at 8:49:55 o'clock, Pacific time, this morning. He will lose an hour in time in the 100 mile flight from Salt Lake here.

SAN FRANCISCO.—Forecasts of fair weather for most of the far west furnished prospects that Lieut. Maynard would rival if not surpass his westbound flying speed on his eastward journey from Battle Mountain, Nevada, today. He clipped off 356 miles yesterday afternoon in his first three eastbound flights from San Francisco.

Three more flyers in the army trans-continental reliability test expected to begin their return trip from San Francisco today. They were Lieut. Alexander Pearson, Jr., Captain J. O. Donaldson and Lieut. Earl Manzelman. Three more were due to start tomorrow. Captain H. C. Drayton, Lieut. L. S. Webster and Captain Harry Smith. Captain Drayton went to Sacramento last night to get a new engine for his plane.

START ACTION IN SUPREME COURT TODAY

Harry L. Butler, Madison Attorney Will Represent Contestants

\$25,000,000 INVOLVED

Governor's Forces Launch "Friendly" Suit Against Soldiers

BY FRED L. HOLMES.

An action to test the validity of the soldier bonus law approved by a three to one vote of the people on Sept. 2, and the soldiers' educational law, enacted by the legislature on Sept. 5, was started in the supreme court today by a citizen-taxpayer approximately \$25,000,000 is involved. The action affects 118,000 men who went from this state into the service of their country.

The court recognized the application and arguments will be heard by the court at the end of the Nov. 4 argument, which will probably be Nov. 8. Gov. Philipp has appointed Harry L. Butler, Madison, to present the contesting matter to the court. Attorney General John J. Blaine, who has held both measures constitutional, will defend the laws. In this he will be assisted by Deputy Attorney General M. B. Olbrich, who, it is understood, has already looked into the question.

Public Purpose Clause.
One of the main contentions is that the laws are invalid, because the appropriation of the money is not for a public purpose as required by the state constitution. The matter of bringing these suits has been hanging fire for six weeks. On Sept. 6, The Capital Times predicted that the actions would be brought.

In order to comply with the legal forms the action is brought by a private citizen against the state Treasurer, Henry Johnson, the state board of education, which administers the Soldiers' Educational law; the Service Recognition Board which administers the Soldiers' Bonus law and the emergency board, which is composed of Governor E. L. Philipp, Secretary of State Merlino Hall and State Treasurer Henry Johnson.

\$25,000,000 Involved.
Involved in the suit would be upwards of \$25,000,000. It is estimated that the Soldiers' Bonus law, approved by the people, carries approximately \$15,000,000 in taxes, and that the educational bill carries approximately \$10,000,000 in taxes.

Because this suit is brought really in the name of the state, Governor Philipp has appointed H. L. Butler of Madison to present the matter on one side and Attorney General John J. Blaine will present arguments in behalf of the validity of the laws.

Following the application in the supreme court, Governor Philipp made public the following statement reviewing the situation:

"The question of the constitutionality of the two statutes raises serious problems for the state's officers."

French Ex-Premier Faces Intrigue Charge

PAKIS — Joseph Caillaux, former premier of France, will be placed on trial before the high court Thursday Oct. 22, according to the Journal today.

Ex-Premier Caillaux charged with intriguing to bring about a premature and disastrous peace with Germany has been in custody for a week and a half awaiting trial. He was removed from prison to a hospital because of ill health. On September 17, the commission of the high court decided after a prolonged inquiry that he must appear before the court to face the accusation against him.

Higher Phone Rates Determined Today

Final testimony in the case of the Wisconsin Telephone Co., which is asking for a continuance of the wartime rates established by Postmaster General Burleson will be given before Railroad Commissioner H. R. Trembly. The opposition to this demand for high prices will come from the City of Milwaukee which is represented by J. J. Hargrave and H. G. Mattison, assistant city attorneys.

Drinking a Glass of Hot Water is a Splendid Habit

Cleanse and sweeten the system each morning and wash away poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul tongue, watery, weak, acid stomach, lame back, can, instead, both look and feel as fresh as a daily always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before eating more food.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a fine appetite for breakfast. A quarter pound of limestone phosphate costs very little at the drug store, but is enough to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism an enthusiast on internal sanitation.—Adv.

TWO SOPHS ON STAND BEFORE SENATE TODAY

Solons Issue Decree Halting
All Duckings For
Yearlings

After hearing evidence of two
testimony and one sophomore
concerning the activities of last
week the student senate at its meet-
ing last night ordered the trial of
sophomores for violation of testing
rules to be held at 1 o'clock today
in the office of President Borge. The
names of the sophomores were not
given out by the senate.

The two freshmen called upon to
give testimony regarding the late
parties last Thursday were Nathan
Bromberger and Hugh Stiles. Mar-
vin Brown, a sophomore, also ap-
peared before the senate.

There will be no more late par-
ties this fall because of Dean Ber-
ger's warning that the late is too
old for ducking. No matter if
there is sufficient evidence before
the student senate to show that a
freshman is guilty of a violation of
traditions, a late party will not be
permitted, and any sophomore
caught engaging in any ducking fea-
ture will be recommended to the
faculty for expulsion.

At the noon meeting of the sopho-
more class held yesterday noon,
Fred Smith, temporary chairman of
the sophomore traditions committee,
announced because of the fact that
he will go with the football squad to
Evanston Saturday. An executive
committee was appointed in his
place consisting of Joseph Hol-
brook, H. T. Salvage, and Elliot Hol-
brook.

ORIENTALS HEAR COURTING STUNT OF PHILIPPINES

Representatives of every country
in the orient were present to furnish
a program of music and dancing
tunes on the occasion of their visit
to the International club at the home
of Prof. D. W. Mead, 120 W. Gor-
ham st. last night. One of the most
attractive acts was given by
Enrique B. Rodriguez, of Manila,
who wrote on the serenading done in
the Philippine islands.

"At such an especially when the
Philippine moon is shining brightly,
a group of young men with mandolin,
guitars, or violins gather at the
home of their girl friends or sweet-
hearts and play and sing love songs,"
Mr. Rodriguez said.

"If they arrive before 9 o'clock,
they are asked to come upstairs and
play and sing in company with the
girls. This is especially true if any
of the girls can play the piano. If
they arrive later than 10 the girl or
her parents, at a sign of respect, or
appreciation perhaps, turn on the
lights, and after the serenade is over
thank the young men.

Used Clothing for Destitute Wanted

Beginning today and continuing a
week, a campaign is being held
throughout the nation to secure
warm clothing for destitute people
of the near east. Reports show that
the people of Armenia and Syria
are suffering intensely from the
lack of even rags to protect them-
selves from the rigors of winter.

No local committee has been ap-
pointed to handle the campaign
here, but those having available
cast-off clothing are asked to send
it direct to the New York headquar-
ters. Packages should be expressed
prepaid, or sent by parcel post,
to Near East Warehouse, 135 West
17th street, New York city.

Saving Stamps Not Transferable Cash

War saving stamps are being ac-
cepted by merchants and others in
the city in payment for various
kinds of service, according to Post-
master Devine. This is not accord-
ing to the plan by which the stamps
are sold it is pointed out, as they
are not transferable and can be
cashed or redeemed only by the
owners.

\$7,000 Scout Fund Drive Gets Good Start Today

Encouraging reports of the progress
of the Boy Scout campaign were
received at the meeting of the
finance committee held at the Mad-
ison club today noon. It was the
first time the committee has met
together since the drive actually be-
gan and while it is too early to give
an any figure of the amounts so far
pledged the men interested feel
that there is no doubt of the suc-
cess.

One manufacturer has pledged
\$200 a year, stating that in doing
so he feels that he is merely making
an investment in future man power.
"Many of these boys will be the
men who will be in my employ or
in the employ of other industrial
concerns within the next four or
five years," he said. "Anything
that we can do now to train them to
be their men is going to help the
whole situation in Madison later on.
The looking on the Boy Scout drive
as a chance to invest in future
man power."

The Rotary club is going to make
a substantial pledge as a body and
the Knights of Columbus have al-
ready given a tentative sum, saying
that it is to be regarded as a
"skeleton" and that more will be
forthcoming.

Pledges will be received at any

START ACTION IN SUPREME COURT TODAY

Continued from page 1.

The amount of money involved is
large—in fact, it runs into millions.
Able lawyers in Madison and Mil-
waukee have raised subsidiary doubts
on the question of the constitution-
ality of these stamps to compel a
court review in order to settle perma-
nently all questions about the
validity of the laws.

Bondsman in Complaint.
The necessity for the action be-
comes apparent when one considers
the results that might follow if at
some later date a taxpayer who is
a resident in the state should come
to the court and the court should
aside either or both statutes. If the
complainant be a non-resident tax
payer and goes to the federal court,
which would be his privilege, and the
act should be held unconstitutional
there, the situation would be even
more complicated. If the treasurer
pays out sums of money and the act
under which the money is paid out
is held unconstitutional, he and his
bondsmen will become responsible
for the money paid. In this case the
amount is so large that it is an un-
reasonable responsibility to place
upon the state treasurer—in fact,
some of his bondsmen have already
raised a question about the consti-
tutionality of these laws. They have
not said what action they would
take, however, it may be reasonably
expected that unless the state makes

MARINE DRIVE IN MADISON GETS RESULTS

Several eleven-hour applications
for service in the Marines were re-
ceived today by Capt. Stanley Lewis
and Sergt. Mayhew, who started
with success their final recruiting
drive yesterday. Among the applicants
were Stanley Davis, 503 Ceas-
ary st., Janesville, and Ben Knudsen,
170 W. Milwaukee st., same city.

"Army men are enlisting in the
Marines to go over sea experience,
navy men to get army experience,
and civilians to get both," said Capt.
Lewis today. "I shall, in my ad-
dresses at the Grand tonight and
tomorrow, describe the work of the
Marines and also the details of the
battle of Chateau-Thierry."

"A Marine is not a superman, and
has never claimed to be anything
but a hand-picked, gilt edge, 100 per
cent efficient individual who is a
soldier, sailor, aviator.

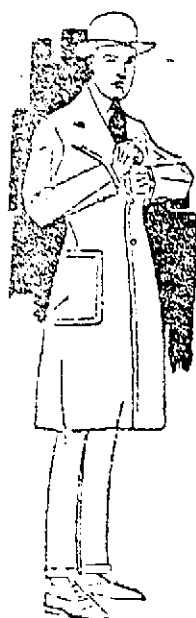

"On sea and land the Marine, fa-
mous in song and story, is univer-
sally admired and respected. His
brilliant and distinctive uniform
makes him the object of all eyes.
Soldiers; his well knit, athletic body,
his face bronzed by foreign service,
and above all the glorious badge of
"Marine" in every war since 1776, make
him a man of marked individuality
and prestige.

"Four nations call Columbia's star-
For, though no more the golden sand
Echo the thunder of the guns
Where Liberty's great emblem shew
And thought to Pershing, Foch and
Haig
Germany bends a suppliant knee
You're needed still, beneath the flag
Borne by the Soldiers of the Sea!"

"Semper Fidelis,"—war or peace.
On alien soil or heaving main,
As international police
There's stirring work ahead for you
Paul Jones, Decatur, Grant and Lee
Becken you on where, Glory glow
Come with the Soldiers of the Sea—
Join the United States Marines!"

The above lines are taken from
Capt. Lewis' poem "Soldiers of the
Sea," the official poem of the Marine
Corps Recruiting Service.

STATE NEWS

SAW HARD FIGHTS
MEDFORD—Lieut. Carlton Edwards has returned home. For more than a year he has been stationed on the island of San Domingo with marines who had been sent there to keep order among bandits. The natives fought as our Indians did and gave the marines considerable trouble.

MANY DEER
BRANTWOOD—Woodsmen near here report deer in great numbers, and are eagerly waiting the open season. There has never been a scarcity of deer here, some of the oldest and toughest of the race have been brought to bay by local hunters, many with as high as 18 points. Partridges are also increasing in numbers, thanks to stringent laws to protect them.

FREEDOM SHORT LIVED
MILWAUKEE—James Cushman, who sawed his way out of the jail here Aug. 23, was arrested in Buffalo, N. Y., Sunday, while robbing a home with August D. Leos. Information of Cushman's arrest was contained in a letter received by the Milwaukee police Monday from Chief James Higgins, Buffalo. Cushman will not be brought back to Milwaukee until after his trial in Buffalo on the burglary charge. If convicted and sentenced there, he will be brought back to face the Milwaukee charges after his release from prison.

It is the only one that gives you relief without any harmful effects.

DISCHARGED YANK DISAPPEARS
ANTIGO—William Adget, son of Mr. and Mrs. Ben Adget, who was discharged from the One Hundred Seventh Trench Mortar battery at Camp Grant, Sept. 9, has not been heard from since that time, and it is feared that he has met with harm.

EXHIBIT 60-POUND PUMPKIN
LOMIRA—A pumpkin weighing 60 pounds was only one of the many exhibits at the Lomira high school fair, in which twelve neighboring schools participated. "An exhibit from every child in every school" was the slogan and it told the truth. Pure bred cattle, prize poultry, blue ribbon vegetables, tested grain, canned goods, baking and sewing were brought. Business men donated prizes.

THE PROPHET SPEAKS
CONOVER—Theodore Christian, whom folks here believe to be a weather prophet, declares the coming winter will be almost as mild as last winter. He says the first heavy snow fall will be December 9.

TO REGULATE DUMPING
GRAND RAPIDS—George N. Wood, prominent local sportsman, who has interested himself for years in attempting to stop paper and sulphite mills along the river from throwing rubbish and chemicals into the water has received a letter from Gov. Phillips, stating that he has taken up the matter, and that he will see the state conservation warden about the matter.

MARINETTE—J. B. Aubin, mayor of Peshtigo, died Sunday morning at St. Joseph's hospital in Menominee. His death was due to a breakdown which came after the flu epidemic a year ago.

BUDGET SYSTEM O. K.
MILWAUKEE—"Milwaukee," said City Comptroller Ketecki, "The budget system installed by this department gives us rigid control over the expenditure of every city department. At the end of each year there is a surplus of receipts which runs as high as \$300,000. In 1918 this surplus was \$150,000. This amount is turned back into the general city fund."

DEFECTIVE STEERING
WHEEL KILLS MAN
MILWAUKEE—Wm. H. Widule, druggist and former deputy county clerk, was killed in an automobile accident on the Port Washington road today. Carl Brockman, a companion escaped with slight injuries. The accident appears to have been due to defective steering apparatus.

\$200 SILO—SMALLPOX
APPLETON—When Robt. Laethke brought suit against Charles Buman for the cost of a silo that he built, Buman brought counter damages for \$200 because he alleged he took the smallpox from Laethke when the latter came to his farm. It was finally settled for \$100 for the silo, Buman to pay his own doctor bill.

MORE HOSPITAL FACILITIES VITAL TO CITY—BROWN

CHARLES N. BROWN
—Photo by De Longe.

Advice from leading physicians of the country that Madison's hospital facilities are so inadequate as to actually endanger the health of the community caused the Madison General Hospital to definitely decide on its \$250,000 campaign, starting Tuesday night, according to Charles N. Brown, attorney, and treasurer of the hospital association.

"We planned the proposed additions and improvements to the hospital three years ago," Mr. Brown said today, "but postponed our campaign because of the war. Last February we had Dr. W. A. Evans of Chicago, national medical authority, come here to investigate the situation. Dr. Evans, after a complete survey of the situation, told us that the health of the community was greatly endangered by lack of hospital facilities and that a community of this size needed at least 500 beds, instead of the less than 200 in local hospitals.

"The community must have more facilities to care for its sick and prevent illness among the well and the hospital must have \$250,000 if it is to perform these functions. We are placing it squarely up to Madison; Madison must not fail."

MADISON MEN MAKE TALKS AT JANESVILLE

JANESVILLE—Service for the young women and men in the state was outlined by specialists in educational matters at the session of the Wisconsin Baptists' state convention here this morning. The convention opened Tuesday evening with ministers and laymen and women workers in missionary fields, numbering about 500, in attendance. Prof. F. S. Larue of Wayland academy, Beaver Dam, Wis., the Rev. J. P. Gleason, pastor of the University church at Madison, and F. F. Wolf, secretary of the University Y. M. C. A. at Madison, each brought his message of inspiration concerning the forces which are moulding the character and life of Wisconsin young people.

SALVI SHOWS SHOOTING FRAY FINE TECHNIQUE ENDS QUARREL

Merit of Program Numbers Seems to Offer Greatest Criticism

Alberto Salvi was greeted last night by an eager and enthusiastic audience that filled not only the main auditorium of the Presbyterian church but the side rooms. Mr. Salvi is undoubtedly a harp virtuoso. He displays finesse and technique such as we have never heard before in harp-playing. He surmounts the very obvious and intrusive mechanical defects of his instrument with astounding skill, and makes the utmost of the harp's attractive qualities. The delicacy of his tone in some passages afforded delight equalled only when the ear of the listener was captured by the skillful subordination of an accompaniment to its melody, variety in tonal color, or the resounding strength of the bass.

The greatest pity it is then, that such skill should be spent on such a program. Scarcely Mr. Salvi's fault, one may say, for it must be confessed that there seems to be no great music for the harp in musical literature. But Mr. Salvi did miss opportunity to vary and enrich his program, namely, by using transcriptions of some of the eighteenth century harpsichord music. This has been done with very good effect and naturally so. Why not? Everyone, hearing the harpsichord for the first time is reminded of the aptness of the name. And when one remembers what a wealth of charming, intimate music, music of truly fine inspiration and of thoughtful workmanship has been written for this instrument, it seems a pity that it is not more often used in harp transcriptions. It is often used, even without adaptation, for the modern pianoforte; and while the pianoforte has tremendous advantages over either harp or harpsichord, the harp can in many ways better reproduce the effect originally intended in much of the charming music as generally played on the harpsichord.

Badger Man Heads Stephenson School

MARINETTE—Prof. H. E. Morton has been elected to succeed the late Prof. A. M. Olson as superintendent of the Stephenson County training school in this city, a combined agricultural and teachers training institute. Mr. Morton is a graduate of the Oshkosh normal, studied at the University college of agriculture and has been a member of the faculty of the local school for about 13 years.

MOTHER'S AID IS TOO MEAGER SAYS MEET

Continued from page 1.

The child could then be provided for out of county funds either by committing him to an institution or guardian other than the mother, or by providing for him at the home of his mother. Judge A. C. Hoppmann declared this would be impracticable because there would be too much objection on the part of the county board, as it considers that mother comes under the pension law and therefore and receive no other aid. It was also proposed that this period of a year be tided over by aid from charitable institutions if there be such in the town or village.

Among other suggestions made was one advocating that the period of 6 months after the granting of a divorce or a case of desertion be lengthened to a year, as it is felt that the 6 months period is too short and encourages both divorce

and desertion. Miss Martha Riley also proposed an extension of time be made from 14 to 16 years for all children who, by school records, show themselves to be bright and eager for more education, the mother's pension for each child now stopping at the age of 14. Judge Hoppmann declared that the judges administering the pension laws should not be tied to the letter of the law, but should be allowed to interpret it as each case demands. If the people do not trust their judges to the extent of allowing them to decide what the pension should be in each individual case, they should dismiss them and put in others. Suggestion was also made that follow up work be done on all pension cases.

GOOD CROPS

IS YOUR SKIN ABLAZE WITH FIERY ITCHINGS?

Don't Continue to Suffer Because of Wrong Treatment.

If you are one of the thousands who are afflicted with any form of irritating skin disease, verify you know what real torture is. You know well enough what it means to lay awake at night, rubbing and scratching your raw and irritated skin, in a vain endeavor to get relief from the fiery burning.

cause millions of tiny disease germs to set up their attack on the surface of the skin, and in the form of pimples, boils, scaly eruptions and itchy, burning irritations, begin their disfiguring and destructive work. Being in the blood, these disease germs can be reached only through the blood, and local applications have no effect whatever. That is why, salves, ointments, lotions, washes and other remedies applied to the skin can do no more than give merely temporary relief. Soon the fiery itching breaks out again, for such treatment cannot reach the source of the trouble.

If you want genuine relief from the tortures of skin diseases, lose no time in discarding all local remedies, and begin taking S. S. S. today. You will be delighted with the results, and when you are thoroughly rid of your trouble, you will praise the day you got on the right treatment. You can get S. S. S. at any drug store. Begin taking it today, and if you write to your physician he will gladly give you full instructions about your own case. Address: Medical Director, 402 Swift Laboratory, Atlanta, Ga.—Adv.

SCOTT COULD WORK ONLY HALF TIME, HE SAYS

After Taking Tanlac He Gains 36 Pounds—Never Loses An Hour From Work, Now

"People on all sides are asking me about my wonderful improvement and when my friend over in Kansas, who put me on to Tanlac, tells me again he's going to be surprised, too," said Frank B. Scott, living at 1020 Cherry St., Kansas City, Mo., while in the Owl Drug Store, recently.

"For five or six months," he continued, "I had been almost down and out with stomach trouble. In fact, I had lost weight until I was almost a living skeleton and could only work three days a week. What I would eat felt like lead in my stomach and I would bloat up with sour gas and feel miserable for hours after every meal. I was also badly constipated, and would get so dizzy I could hardly stand on my feet. I would lie awake at night until three and four o'clock unable to sleep and was in such a bad shape that I could only work half the time."

"During the five months previous to the time I began taking Tanlac I had paid out fifty dollars for other medicines, but kept getting worse until my friend, who had gotten rid of the same kind of troubles by taking Tanlac persuaded me to try it, and then I commenced to climb up hill right from the start. I have taken five bottles of Tanlac now and am not only enjoying better health than I have in years, but I have actually gained thirty-six pounds in weight, besides. I can eat anything at any time, sleep like a log every night and work every day, never losing an hour. From now on Tanlac is the medicine for me."

Tanlac is sold in Madison by Luckey Pharmacies, in Deerfield by W. A. Perkins, in Middleton by Dr. A. M. Teckam, in Stoughton by O. N. Falk & Son, in Sun Prairie by W. L. Schultz.—Adv.

SEES VENEZUELA IN PROGRESSIVE MOVE

"Feudal Times in Venezuela" is the title of an illustrated booklet just published by Prof. A. S. Pearse, of the zoology department, in which he gives his impressions of that country, its people, government, customs, and commercial history. The article is reprinted from the Scientific Monthly for July.

Venezuela, says Professor Pearse, is in a period of transition from feudal life to commercial progress, better educational opportunities, broader outlook for women, and other desirable changes, but with these changes the romance attached to grand estates dominated by great personalities such as General Juan B. Gomez, must pass away.

CASTALIA TO HOLD PARTY FRIDAY NIGHT

Castalia will give a party for all university women on Friday night, Oct. 17 at 8 o'clock in Lathrop parlors. All women interested in literary activities are urged to attend, for the two open meetings that will be held before the annual tryouts.

Elizabeth Knudert, president of Castalia, will talk on the aims of the organization and tell of the best way in which to qualify for membership. The annual tryouts will be held on October 21. There will be further announcements of the tryouts.

Women, Dry Clean Things at Home

Save five to ten dollars quickly by dry cleaning everything in the home that would be ruined by soap and water—Suits, coats, waists, silks, laces, gloves, shoes, furs, draperies, rugs—everything.

Place a gallon or more of gasoline in a dishpan or wash boiler, put in the things to be dry cleaned, then wash them with Solvite soap. Shortly, everything comes out looking like new.

Nothing fades, shrinks or wrinkles. No pressing needed. Do not attempt to dry clean without Solvite soap. This gasoline soap is the secret of all dry cleaning.

A package of Solvite soap containing directions for home dry cleaning costs little at any drug, grocery or department store. Dry clean outdoors or away from flame.—Adv.

SOCIETY

Mrs. Lucius Fairchild, Monona ave., entertains at dinner Friday evening for Countess Isi Cipriani of Italy, who will address the Woman's club on The Social Ideal of Modern Italy, Friday afternoon at 3 o'clock.

Pastels by the countess, who is an artist, poet and author, are to be on exhibition at the Woman's club during the afternoon.

Madison friends have received announcements of the marriage of Miss Dorothy Trickey, daughter of Capt. and Mrs. Fred L. Trickey, to Joseph Rodney Sweeting, also of Berlin, Oct. 8, in Berlin at high noon. Miss Trickey was graduated from the home economics course of the University of Wisconsin with the class of 1919, and Mr. Sweeting from the college of engineering, U. W., in 1916. He returned late in July from overseas, where he served with the engineers for more than a year. Mr. and Mrs. Sweeting will make their home in Lansing, Mich.

Miss Margaret Bauha, daughter of Mr. and Mrs. John Bauha, 435 Lorich st., and Russell R. Livesey, son of Mr. and Mrs. Charles Livesey, 938 E. Mifflin st., were married yesterday morning at 9 o'clock in the parsonage of St. James church, Rev. J. M. Koester performing the ceremony. The bride wore a gown of white satin combined with georgette and silk shadow lace, a tulle veil and carried a shower bouquet of white roses. She was attended by Miss Katherine Bolte as bridesmaid, whose frock was of pale green organdie and hat of white satin. She carried pink carnations. Lyle Livesey, brother of the groom, was best man. After a wedding breakfast served at the home of the bride's parents, to immediate relatives, Mr. and Mrs. Livesey left for Minneapolis, where they remain about a fortnight. They will make their home at 435 Lorich st.

The Young People's society of the Unitarian church will have a hike Saturday afternoon followed by a picnic supper. The party will leave the church at 5 o'clock, not at 2:30 as previously stated owing to the university rush. All those wishing to go are cordially invited and are asked to telephone to Mrs. C. J. Brainerd, Badger 7294. If weather is bad, there will be a supper at the church.

The International club of the university meets in the university Y. M. C. A. Friday evening at 7:30 o'clock. Gregorio San Augustine, a Filipino student, is president of the club this year.

Countess Isi Cipriani of Italy will be the speaker of the afternoon at the next meeting of the Madison Women's club, the social service department, Mrs. Frank Van Pierce, chairman in charge. The countess will talk on the Social Ideal of Modern Italy.

In addition to the lecture, a report will be given by the committee investigating the matter of a cafeteria for the girls' club.

The parliamentary law class conducted by Mrs. Harry Glicksman meets in the Woman's building on the first and third Wednesdays of each month at 3 o'clock. The social service department entertains at luncheon tomorrow noon in the Woman's building, all club members being invited to attend. The schedule of meetings at the Woman's building follows: History department, Monday, October 20, 3 o'clock; social service study class in citizenship, Friday, October 24, 3 o'clock; educational department, Dr. Elizabeth Woods, speaker; home economics department for organization, Tuesday, October 22, 3 o'clock.

Formal announcement of the engagement of Miss Nell Place, youngest daughter of Mr. and Mrs. H. J. Place of Marinette, to Nelson Francis of Janesville was made at a prettily appointed function given by her parents. Miss Place graduated from the university with the class of 1919 and is an Alpha Phi. Mr. Francis is associated with his father in Janesville Clothing Co.

REPAIR PUMPS AT STOUGHTON

Council Authorizes Installation of Air-Lifts for City Water Wells

STOUGHTON—At the adjourned meeting the council authorized the waterworks committee to purchase a duplex air-lift for the artesian well at the pumping station which will allow of water being lifted by machinery operated either by steam or by electricity as circumstances may warrant. It is considered quite probable that the well from which is now pumped about 200 gallons a minute, will yield 600 gallons a minute by the air-lift method.

NUXATED IRON

A DRIVING FORCE

BEHIND KEEN SUCCESSFUL MEN AND WOMEN

When you think of the successful men and women you know—people who are doing things worth while—you will find that they possess force, vim and energy—the kind that simply brim over when the blood is filled with iron. Nuxated Iron by enriching the blood and creating new red blood cells, strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed force and energy into the whole system. Three million people use it annually as a tonic, strength and blood-builder.

MAKE THIS TEST

For a few days you can work or how far you can go without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people have been able to do all the while have most astonishingly increased their strength and endurance by taking iron in the proper form.

HER MARRIAGE
A love or a curse? In this young wife it meant everything—the giving of herself to the man of her heart.

Yet she was forced to wed a man she loathed. And she hated.

See this powerful picture—and blame her if you can! A gripping expose of man's "double standard" of morality and the tyranny of marriage conventions.

Scene From Stuart Walker's Production of "Seventeen" at the Fuller Next Tuesday Night

FULLER.
One of the musical treats of the season will take place at the Fuller Saturday afternoon and night of this week when Ralph Dunbar offers his production, "The Chocolate Soldier," an adaptation of George Bernard Shaw's scintillating comedy, "Arms and the Man." The music by Oscar Straus accentuates the cleverness of the story. The locale—the Balkan mountains, with their picturesque characters, typical Bulgarians and Serbians, contributes notably to the production of a comic opera of striking beauty and intrinsic merit.

Like a slave in the market place, sold to the highest bidder, Mary MacNeill, heroine of "The Woman Thou Lovest Me," by Hall Caine, passes through the most terrible experiences that could fall to the lot of a woman. Yet she finally overcomes them and wins a measure of happiness.

This story will be presented at the Fuller theater tomorrow and Friday.

MAJESTIC
Hedda Nova is the star in the Universal Special attraction called "The Spitfire of Saville," and which will be seen for the last times today at the Majestic. Miss Nova is supported by The Matinee Idol, Thurston Hall. The story is replete with dramatic situations. The locale is the mountains of Southern Spain and the principals are fired by the hot Castilian passions that defy beautiful women and diabolical enemies.

NEW STRAND
How a girl reforms a man she believes to be an escaped convict and saves her step-mother and herself from a scheming blackmailer, posing as a society man, is graphically depicted in "A Sporting Chance," a new Paramount picture, starring Ethel Clayton, which will be presented at the New Strand today. The picture presents Miss Clayton in the role of Carey Brent, a girl who is a slave to every impulse that possesses her.

There also appears on this bill a Mack-Sennett comedy, "Trying to Get Along," and the Photoplay Magazine Screen Supplement showing Mary Pickford, Bryant Washburn, and other stars in intimate phases of home life.

GRAND.
Alice Brady, the popular and charming star, who has gained the reputation of permitting no one to "double" for her, will be seen in a fun role in her latest Select Picture, "His Bridal Night," a racing, rollicking farce, which plays at the Grand theater today.

"His Bridal Night" is the story of twins, Vi and Tiny. Miss Brady, with her charming grace and manner and adaptability, gives a delightful characterization of the twins. In the role of Tiny she is demure, thoughtful, conscientious, and a bit goody-goody. But as Vi she is vivacious, headstrong, mischievous, daring, lovable, and a bundle of "pep."

WILL ISSUE BONDS

SUPERIOR—Douglas county will issue \$204,000 in bonds to pay its share of the bonus to service men. The original plan to raise the sum by levy was abandoned when it was shown that some of the towns of the county have not yet paid their current taxes, and under that procedure a portion of the total needed would not be available.

DRAMA SOCIETIES TO BRING PLAYS

The Madame Borgny Hammer company will appear in Madison Nov. 3 and 4 in "The Doll's House" and "Hedda Gabler" under the auspices of the Edwin Booth Dramatic Society. This engagement was assured by action of the Edwin Booth society at its first meeting last night.

Ray E. Holcombe was elected president of the club, Earl Haessler, vice-president; Lawrence Murphy, secretary; Edward Perkins, treasurer; and Clarence Schubert, keeper of the mask.

A ruling placing all former members who have been in the service now entered as students in the university on the rolls as active members was passed by unanimous vote. Among the former members in school are Harvey E. Little, Henry Metz, Don Jones, N. Schaaf, Earl Haessler, Lawrence Murphy, George Crownhart, and Ellis Stokdyk.

Pledges not initiated last year will be initiated at the next meeting.

Clarence Schubert, Edward Perkins, Fred Oldenburg, Foster Strong and Lawrence Murphy were appointed members of the Play Committee for the Edwin Booth productions this year.

The thousand mark was passed, last night, for perhaps, the first time this season when the Pan Dandy Breads rolled a total of 1,024 in their first game. They hung up a 2,931 total for all three games. Tony Schwoegler was the big artillery, getting a 607 total with games of 217, 214, and 176. The Capitol Alleys came within hailing distance of the thousand mark when they rolled 972 in the first game. Their total score was 2,722. Louis Schilling rolled 579 with games of 200, 202, and 177. George Post had high game of the evening, a 238. Charley Norton was one pin behind with 237. Frank Schilling had one game of 230. Carey of the Park Five totaled 596 with games of 167, 219, and 210. The Oil-Kippis, with one high game of 946, totaled 2,694 for the evening.

Gildmaster led the Alpha Sigs in three wins over the Sigma Chis in the opening games of the Inter-Fraternity league last night. He totaled 541 with games of 158, 185, and 198. Marks' 533 was the highest. His games were 202, 203, and 178. The Alpha Sigs rolled 938 in their second game, and totaled 2,605.

Skinny Knoche got an awful beating last week is the report from the Capitol Alleys. Could you imagine Skinny's brother, C. J. of the Expanders team of the Gisholt league beating Skinny by 43 pins in the total number of pins for three games. Good heavens, what is our Skinny coming to?

Miss Anna Kehl is showing the way again for the women bowlers. Last Thursday, she added to her list of medals by getting the 7 and 10 pins in a split. Miss Kehl's average for this season is 163, probably the highest woman's average in Madison.

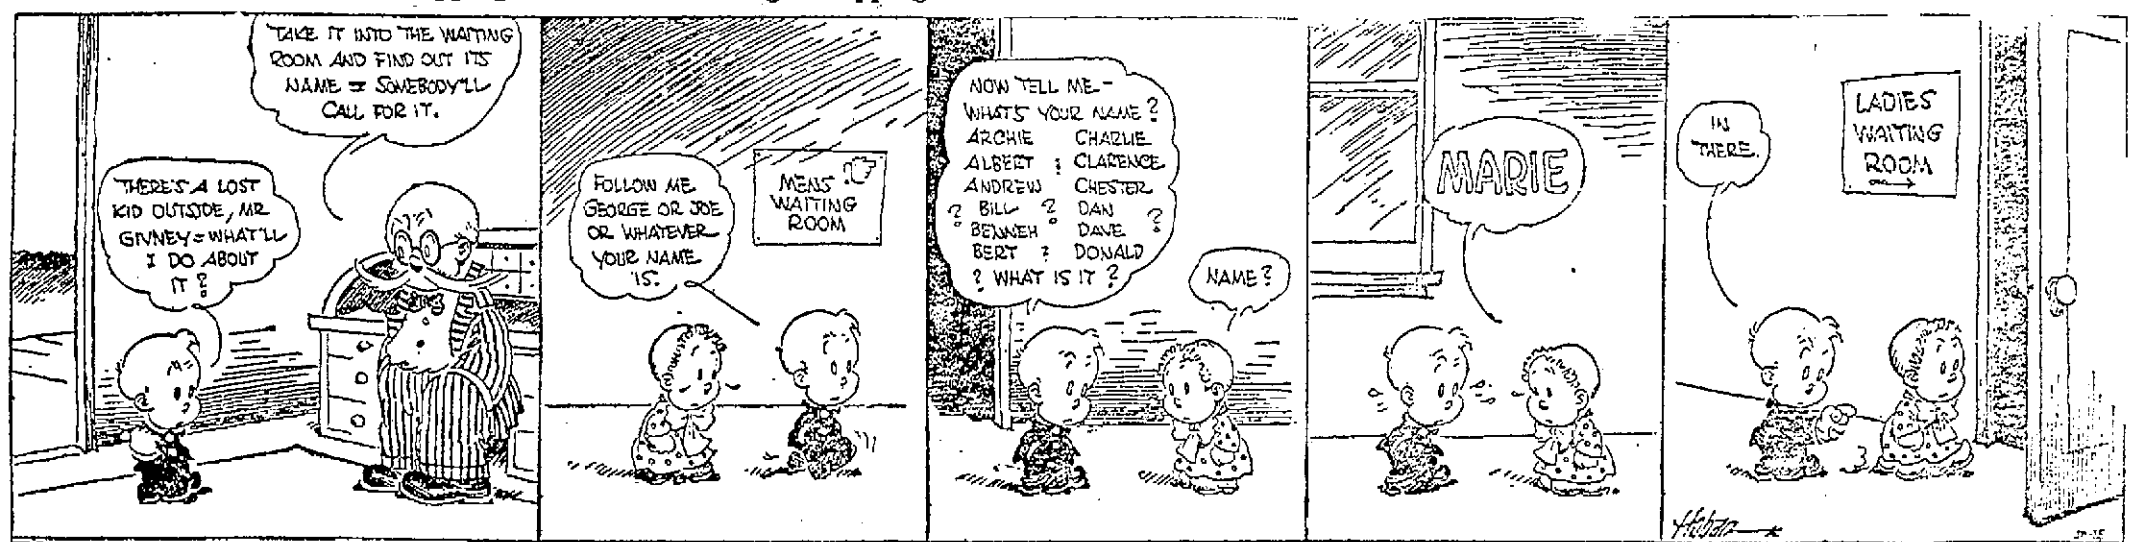

SWIMMING SQUAD MEETS THURSDAY

All members of last year's varsity swimming squad will meet with Coach Joe Steinauer Thursday night at 7:30. Candidates for the fresh squad will report at the same place and at the same time Friday night.

For varsity material Coach Steinauer has the following experienced men: Frederick, Reick, Greenslade, Paulus, Brodster, Cox, Carter, Barr, Keulen, Warner, Tuckerman, Ewald, Bach, Marvin, Olson, Howes, Helgren, Bavis, Huchner, Bowman, Larson, Logie, Desmond, Welch, Rygh, Zahorak, Clark, Stemmler, Koch, Lamboley, Elder, Kidder. For the freshman team several candidates have signified their intention of reporting: Crosby, Wood, Blair, Willott, Trendwell, Sapper, Tannewitz, Hubert, Roy, Glover, Herried, Lahmann, Hart, Laraby, Montried, Glosbrunner, Spence, Clark, Katz.

JERRY ON THE JOB—A Good Shipping Clerk is Never Caught Napping

New Badger Line To Oppose Northwestern; Scott Shifted To Guard; Elliott At Halfback

Coach Richards Prepares for First Conference Game Next Saturday

The team that will represent Wisconsin against Northwestern at Evanston next Saturday, in the first conference game of the year for both elevens, began to take shape last night when Coach Richards ordered secret practice with the following line-up for the first team: Meyers and Weston, ends; Stark and Brader, tackles; Scott and Bunge, guards; Carpenter, center; Davey, quarter; Elliott and Smith, half backs; Jacobi, full.

The shifting of Scott from left tackle to right guard is expected to strengthen the line considerably. Brader taking Scott's place at left tackle. Smith worked out in Sunday's place at right half to give the Badger kicker a needed rest. Elliott is expected to start at left half against the Purple, taking Gould's place.

With big Rankin, Margolas, Fladoes, Sherney, Olson, and Sponholz ready to fill in at the line positions, Richards has a strong reserve. The team will leave Madison Friday at 5:40 o'clock for Milwaukee where the night will be spent. From Milwaukee, the team will go to Evanston, Saturday morning. Tickets are going fast for the special train which will be run from Madison to Evanston, Saturday morning if over 200 students sign up for tickets to the game. A big send-off with a parade of students and the band leading is planned for the team on Friday afternoon.

School Gyms Secured For Indoor Baseball

Schedule of League Games, to Begin on Oct. 23, is Arranged

Longfellow, Lincoln, Lowell, and Randall schools have been secured for the use of the new indoor baseball league composed of industrial teams which will begin a schedule on Oct. 23 and play games every Thursday night at 8:15, it is announced by the board of control. The question of charging admissions has not yet been decided. Regulation indoor baseballs, 17 inches in circumference, will be used. The following schedule has been arranged for the opening games:

October 23—State Capitol vs. Scanlan-Morris (Lowell); Burgess Battery vs. Gisholt Northern (Longfellow); Madison-Kipp vs. French Battery (Lincoln); Fuller & Johnson vs. Gisholt Machine (Randall).

TICKETS GO AT FAST CLIP FOR PURPLE GAME

Northwestern Looks For Big Crowd at First Conference Game

Tickets for the Wisconsin-Northwestern football game at Evanston Saturday are being rapidly disposed of at the gymnasium.

Since the tickets were late in arriving there remains only a day and a half in which they can be secured. Every ticket must be returned to the athletic department of Northwestern university not later than Thursday noon.

From the number of inquiries and requests for tickets which were yesterday directed at those in charge of the ticket sale, there is little doubt that Wisconsin will be well represented at her first conference game.

A special train will leave the Northwestern station in Madison at 8 o'clock Saturday morning, provided there are 250 students who signify their intention of going. Accommodations will not be limited for that number alone, but will be provided for as many more as wish to leave at that time.

Machine (Randall); French Battery vs. Fuller & Johnson (Lowell).

November 6—State Capitol vs. Burgess Battery (Lincoln); Scanlan-Morris vs. Gisholt Northern (Randall); Madison-Kipp vs. Fuller & Johnson (Lowell); French Battery vs. Gisholt Machine (Longfellow).

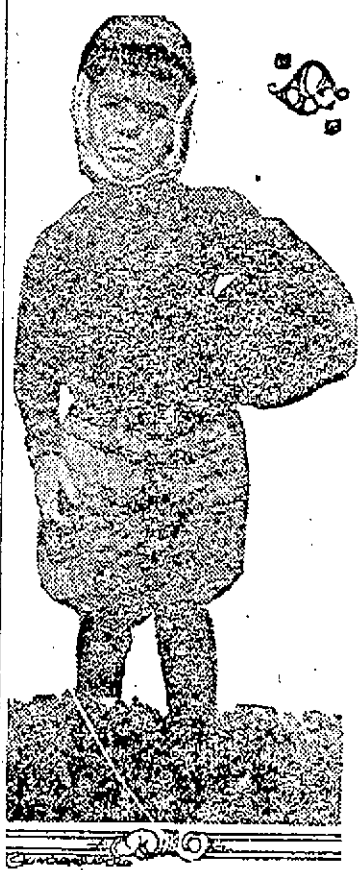

November 13—Burgess Battery vs. Madison-Kipp (Randall); Gisholt Northern vs. French Battery (Lowell); Scanlan-Morris vs. Gisholt Machine (Longfellow); State Capitol vs. Fuller & Johnson (Lincoln).

November 20—State Capitol vs. Gisholt Northern (Lowell); Burgess Battery vs. French Battery (Longfellow); Scanlan-Morris vs. Fuller & Johnson (Lincoln); Madison-Kipp vs. Gisholt Machine (Randall).

November 27—Scanlan-Morris vs. Madison-Kipp (Longfellow); Gisholt Northern vs. Gisholt Machine (Lincoln); Burgess Battery vs. Fuller & Johnson (Randall); State Capitol vs. French Battery (Lowell).

December 4—Capitol vs. Madison-Kipp (Lincoln); Scanlan-Morris vs. French Battery (Randall); Burgess Battery vs. Gisholt Machine (Lowell); Gisholt Northern vs. Fuller & Johnson (Longfellow).

FRENCH ORPHAN IS MASCOT FOR PENN FOOTBALL ELEVEN

Emile Gallot Donaldson in his mascot uniform.

Emile Gallot Donaldson, a little French war orphan, is the mascot of the University of Pennsylvania's grid team. The boy's father was killed in battle. The rest of the lad's family was wiped out by a German shell which hit their home. He was adopted by the sister of Wharton Donaldson, guard on the Penn team.

PENNANT RACE IN INDUSTRIAL LEAGUE STARTS

The race for The Capital Times pennant and the city indoor baseball championship that the pennant will mean is on. At the regular meeting at the city Y Monday night, the playing schedule of the Madison Industrial Indoor Baseball league was officially accepted by the board of control of that organization. The games will be played, in accordance with permission granted by the Board of Education, at the Lowell, Lincoln, Longfellow and Randall schools every Thursday evening from 8:15 to 9:15 p. m. The schedule opens Oct. 23 with State Capitol vs. Scanlan-Morris at Lowell school, Burgess Battery vs. Gisholt Northern at the Longfellow school, Madison-Kipp vs. French Battery at Lincoln school and the Fuller & Johnson vs. Gisholt Machine at Randall school.

MANY TO TRY OUT FOR RED DOMINO

Unusual interest has been shown in dramatics this year, for within half an hour after the Red Domino tryout committee began issuing application blanks for uppers and outs yesterday noon, the limit of forty applicants was reached. During the rest of the hour, thirty others would be actresses were turned away. This is the largest number that ever have turned out for tryouts and it is possible that the tryout committee, under Helen Harper, will make arrangement by which the limit of forty will be raised and a second tryout held. Much will depend on the amount of talent displayed by the present list.
